Address	Glenorchy	E-Mail	clive@sonofgoran.com
Last Seen			
Location	Elwick Rd/Brooker Hwy	Date	2 October 2017
Story			
<p>Kuma had just received shots, a microchip and desexing when he got loose from the vet and bolted in a panic. He is very scared and was spotted with a bloody leg, likely from a combination of the operation and running scared.</p> <p>Please contact me if you find him, we miss him so much.</p>
